

Please fill out this questionnaire which is an evaluation of the impact of this training course.

Your response will help us identify gaps in the curriculum and assist in our research on sexual health education in medicine.

We thank you in advance for your assistance!

Section 1: Communication									
<i>This set of questions is about your ability to communicate with different patients.</i>									
How confident are you in your ability to <b>communicate/assess/discuss</b> sexuality and sexuality-related topics with... (Check <u>one box</u> per row)	Very confident	Moderately confident	Slightly confident	Neither confident nor unconfident	Slightly unconfident	Moderately unconfident	Very unconfident	Don't know	Prefer not to answer
A1.... the <b>parents of a fetus or newborn with a disorder of sex development</b> (e.g. ambiguous genitalia)									
A2. ... a <b>pre-pubescent child</b> (i.e. masturbation, genital exploration of self and other children, questions about sex, "birds and the bees") (UN, 2013)									
A3. ... a <b>pubescent person</b> (i.e. body changes with puberty, becoming sexually active, decision making)									
A4. ... a <b>young (18--40 years) adult</b> (i.e. promoting sexual wellness)									
A5. ... a <b>middle aged (41--65 years) adult</b> (i.e. promoting sexual wellness)									
A6. ... <b>an older (&gt;65 years) adult</b> (i.e. changes in sexuality with aging)									
A7. ... a <b>person with mental disability</b> (e.g. Downs Syndrome, schizophrenia, traumatic brain injury)									
A8. ... a <b>person with physical disability</b> (e.g. cerebral palsy, spinal cord injury, amputations)									
A9. ... a <b>person with sexual problems/dysfunctions or concerns</b>									
A10. ... a <b>person with sexual problem(s) related to a medical, pharmacological, or surgical treatment</b>									

How confident are you in your ability to <b>communicate/assess/discuss</b> sexuality and sexuality-related topics with... (Check <u>one</u> box per row)	Very confident	Moderately confident	Slightly confident	Neither confident nor unconfident	Slightly unconfident	Moderately unconfident	Very unconfident	Don't know	Prefer not to answer
A11. ... a <b>person whose gender and/or sex is different from your own</b>									
A12. ... a <b>person whose gender is the same as your own</b>									
A13. ... a <b>person who is transgender or genderqueer</b>									
A14. ... a <b>person who identifies as heterosexual</b>									
A15. ... a <b>person who identifies as non-heterosexual (e.g. lesbian, gay, bisexual, something else)</b>									
A16. ... a <b>person who identifies as asexual</b>									
A17. ... a <b>person who engages in non-normative sexual practices (e.g. sadomasochism, paraphilia or fetish)</b>									
A18. ... a <b>person who masturbates</b>									
A19. ... a <b>person who engages in sex with a committed partner</b> (i.e. dyadic relationship)									
A20. ... a <b>person who engages in casual sex</b> (e.g. hook ups, one night stands)									
A21. ... a <b>person who engages in transactional sex</b> (e.g. sex work, prostitution, etc.)									

How confident are you in your ability to <b>communicate/assess/discuss</b> sexuality and sexuality-related topics with... (Check <u>one</u> box per row)	Very confident	Moderately confident	Slightly confident	Neither confident nor unconfident	Slightly unconfident	Moderately unconfident	Very unconfident	Don't know	Prefer not to answer
A22. ... a <b>person who engages in sex with a person other than a partner in a dyadic relationship WITHOUT the other partner's knowledge or consent</b> (e.g. "cheating")									
A23. ... a <b>person who engages in sex with a person other than a partner in a dyadic relationship WITH the other partners knowledge and consent</b> (e.g. "open relationship")									
A24. ... a <b>person who is coercive or abusive to their sexual partner(s)</b>									
A25. ... a <b>person who is coerced or abused by their sexual partner(s)</b>									
A26. ... a <b>person with questions about safer sex and sexually transmitted infections</b>									
A27. ... a <b>person infected with the human immunodeficiency virus (HIV)</b>									
A28. ... a <b>person who has a sexually transmitted infection OTHER than HIV</b>									
A29. ... a <b>person who desires contraception</b>									
A30. ... a <b>person who wishes to become pregnant or impregnate a partner</b>									
A31. ... a <b>person seeking an abortion</b>									
A32. ... a <b>person with conservative sociocultural beliefs about sexuality</b>									

How confident are you in your ability to <b>communicate/assess/discuss</b> sexuality and sexuality-related topics with... (Check <u>one box</u> per row)	Very confident	Moderately confident	Slightly confident	Neither confident nor unconfident	Slightly unconfident	Moderately unconfident	Very unconfident	Don't know	Prefer not to answer
A33. ... a <b>person with liberal sociocultural beliefs about sexuality</b>									
A34. ... a <b>person with religious/spiritual convictions about sexuality</b> (in this context it refers to persons whose convictions stem from an organized religious group such as Catholicism, Islam, Judaism)									
A35. ... a <b>person who informs you of a topic that requires mandatory reporting</b> (e.g. STI, threat of harm to others, etc)									
A36. ... a <b>person whose values pertaining to one or several aspects of sexuality are in conflict with your own</b>									
A37. ... a <b>person who requires referral for more specialized sexual healthcare</b>									

Section 2: Knowledge

*This set of questions is about your knowledge base.*

Do you feel confident that you have the <b>knowledge</b> to care for patients when discussing sexuality and sexuality related topics with... (Check <u>one box</u> per row)	Very confident	Moderately confident	Slightly confident	Neither confident nor unconfident	Slightly unconfident	Moderately unconfident	Very unconfident	Don't know	Prefer not to answer
B1.... the <b>parents of a fetus or newborn with a disorder of sex development</b> (e.g. ambiguous genitalia)									
B2. ... a <b>pre-pubescent child</b> (i.e. masturbation, genital exploration of self and other children, questions about sex, "birds and the bees") (UN, 2013)

### Section 3: Attitudes

*This set of questions is about your feelings on certain sexuality related topics.*

Please state your level of agreement or disagreement with the following statements. Please answer truthfully – there are no “wrong” answers! (Check <u>one box</u> per row)	Strongly Agree	Moderately Agree	Somewhat Agree	Neither Agree nor Disagree	Somewhat Disagree	Moderately Disagree	Strongly Disagree
	C1. Educating teenagers on sex makes them more likely to do it						
C2. Masturbation is a healthy part of human development							
C3. Oral sex is an abnormal sexual practice							
C4. Anal sex is an acceptable sexual practice							
C5. It is okay to have sex before marriage							
C6. Marriage should be only between a man and a woman							
C7. I want to be a resource for my future patients with sexual problems							
C8. It is okay to have a non-monogamous relationship if both partners agree to it							
C9. It is not normal to be attracted to a person of the same sex							

Please state your level of agreement or disagreement with the following statements. Please answer truthfully – there are no “wrong” answers! (Check <u>one box</u> per row)	Strongly Agree	Moderately Agree	Somewhat Agree	Neither Agree nor Disagree	Somewhat Disagree	Moderately Disagree	Strongly Disagree
C10. I won't be able to provide care for patients with sexual problems							
C11. People who get sexual pleasure from inflicting and/or experiencing pain (somasochism) with consenting partners are sick							
C12. Abortion should be available to women for whatever reason they choose							
C13. Sex is not an issue that physicians should deal with in their practices							
C14. Abortion is only allowable in special cases (e.g. rape, incest, threat to health of mother)							
C15. Contraception should be easily available to anyone who wants it							
C16. Sexual problems (e.g. erectile dysfunction, low sex drive, pain with sex) are serious issues that should be addressed)							
C17. Being gay, lesbian, or bisexual is acceptable							
C18. Healthy women always have a lower sexual drive than men							
C19. People who contract sexually transmitted infections get what they deserve							

Please state your level of agreement or disagreement with the following statements. Please answer truthfully – there are no “wrong” answers! (Check <u>one box</u> per row)	Strongly Agree	Moderately Agree	Somewhat Agree	Neither Agree nor Disagree	Somewhat Disagree	Moderately Disagree	Strongly Disagree	
C20. Abortion is murder								
C21. People who are transgender deserve to receive care to help them conform to their chosen gender								
C22. People should be allowed to marry someone of the same sex								
C23. All pornography should be banned								
C24. One can never be too old for sex								
C25. I believe that I can use my human sexuality training effectively in a clinical setting								
C26. I do not intend to use my human sexuality training in a clinical setting								

## Section 4: Demographics

*This set of questions is about your personality.*

<p>D1. What is your age in years?</p> <p style="text-align: center;">[     ] years                      Prefer not to answer</p>	<p>D2. Which residency program are you in?</p> <p style="text-align: center;">Specialty:                      Site:</p>
<p>D3. About how many people are in your residency program?</p> <p style="text-align: center;">Fewer than 5                      10+</p> <p style="text-align: center;">5-10                                  Prefer not to answer</p>	<p>D4. What is your current year in residency?</p> <p style="text-align: center;">PGY1              PGY3              Prefer not to answer</p> <p style="text-align: center;">PGY2              PGY4              Other (Specify)</p>
<p>D5. Were you born in the United States?</p> <p style="text-align: center;">Yes                                  No (Specify country)</p>	<p>D6. What sex were you assigned at birth?</p> <p style="text-align: center;">Male              Female              Prefer not to answer</p> <p style="text-align: center;">Other (Specify)</p>
<p>D7. What is your current sex or gender identity?</p> <p style="text-align: center;">Male              Female              Transmale/ Transman              Transfemale/ Transwoman              Genderqueer              Prefer not to answer              Other (Specify)</p>	
<p>D8. Of the following, which best describes you?</p> <p style="text-align: center;">Asexual              Bisexual              Gay              Lesbian              Heterosexual/ Straight              Unsure              Other              Prefer not to answer</p>	

D9. What is your relationship status?							
Single	Dating Casually	In a relationship but not married	Married	Divorced/ Separated	Widowed	Other	Prefer not to answer
D10. Do you have a family member, friend, co-worker, or partner who identifies as lesbian, gay, bisexual, or transgender?				D11. During residency, have you interacted with patients who have had sexual health concerns?			
Yes	No	Don't Know	Prefer not to answer	Yes	No	Don't Know	Prefer not to answer
D12. During residency, have you interacted with patients who have had gender identity concerns?				D13. During residency, have you interacted with patients who identified as transgender or gender non-conforming?			
Yes	No	Don't Know	Prefer not to answer	Yes	No	Don't Know	Prefer not to answer
D14. Did you receive formal education on sexuality at college/university prior to residency?				Yes	No	Don't Know	Prefer not to answer
<p><b>If you answered "No" to question D14, please SKIP TO D18</b></p>							

D15. Which year(s) of medical school did you receive formal education on sexuality?

MS1      MS2      MS3      MS4      All years      Other (Specify)      Don't Know      Prefer not to answer

D16. Did you do your MD at the University of Minnesota?

Yes      No

D16. How old were you when you were first taught about sexuality?

0-5 years      6-12 years      13-18 years      18+ years      Don't know      Prefer not to answer

D17. In which of the following settings were you taught about sexuality prior to residency? (check all that apply)

Primary School      Middle School      High School      College      Medical School      Other Graduate      Studies At Home (e.g. from parents)  
Job training      In a health based setting      In a faith based setting      Don't know      Prefer not to answer      Somewhere else (specify)

D18. Please give month/year of birth and initials so that we can match this with the follow-up questionnaire in 6 months. Many thanks for your participation!

Month/Year of Birth:

Intials:

D19. Please let us know if you have comments, criticisms, or suggestions about this survey.
